

SPONSORS ARE ANNOUNCED FOR COLLEGE DRIVE

Leaders in Business and
Profession Back Augustana
Campaign.

Members of the sponsoring committee and the executive committee of the Augustana college campaign for \$80,000 have been announced for Rock Island by J. L. Anderson, campaign organizer for the city. The list included leading business and professional men.

The campaign plans for the drive are nearing completion. Yesterday afternoon Mr. Vernon had his meeting with the committee and many details of the drive were worked out. The city is to be covered by 21 teams of men.

Three of these teams have been drafted from the college students under the leadership of Mr. Anderson, Conrad Berglund and Eugene Youngert. At the request of the local committee in the campaign these students have been asked to leave their books to be at the beck and call of the campaign organizers and his majesties.

The college students were also asked to furnish an equal number for the Moline campaign and Knut Erickson, formerly a Y. M. C. A. secretary and partaker in many campaigns, but now a student in the divinity department of the local seminary, is in charge of the Moline contingent with Elmer Swanson as his second captain. These teams have 10 men each with two alternates and they will take up the campaign under the direct supervision of the Moline committee.

Stimulate Pep.
These captains and their team members had a pep meeting last evening at a luncheon in the gymnasium at the college and a member of the executive committee gave them the details for their specific part in the campaign. President Anderson was toastmaster and called upon the captains to talk to the students and give the plans as outlined at the captains' meeting in the two cities.

At the conclusion of the speeches the two competing contingents for Rock Island and Moline in the characteristic college way made the old gym ring with yells, each one trying to outdo the other. It was evident at the meeting that the two teams are going to start out Thursday morning with the avowed purpose of going over the top in their respective campaigns.

The following is the sponsoring committee for the campaign:

Displaying the Newest and Latest Decrees of Dame Fashion in Women's, Misses' and Children's Apparel for Spring --Wednesday, March 24th--

---in which extensive expositions of new garments and accessories will express our "complete Spring readiness"

Reveiling the most glistening ensemble of quaint, new styles the Big Store on the Corner has ever sponsored.

Presenting Authentic and Individual Modes in—

Suits

Spring suits borrow the principle of the individual shops and present an individual fashion for every woman, not a composite fashion for all women.

It is right to expect something different of the Springtime of leap year, and so, contrary to the custom of Springtime gone by, this vernal season presents instead of one fashion becoming to the greatest number of women, the greatest number of suit fashions, so that each individual woman may choose the one most becoming to herself.

Coats

Our displays include interesting interpretations of both the utility coats and sport coats of shorter length, with a plentiful showing of belted models, in both types. Many of the luxurious cloth fabrics of winter have been reproduced in lighter weights for Spring such as silvertone, velour and novelty wool fabrics. Some very exclusive styles have made their appearance in tricotine, serge, poiret twill and polo cloth. Indeed the latest whimsies of Fashion are adapted in these garments. All show an excellence in tailoring.

Dresses

What a whimsical, lovable lady is "Fashion" this spring?

To know just how whimsical—and how wholly lovable she is when she is whimsical—see the new Spring frocks of silks and satins that flutter and tempt as they peep from the cases!

"Dresses of individuality" sounds a bit bromidic but when frocks are SO absolutely individual as these, what else can one say?

There is no one tendency so pronounced that it kills one's individuality—that is the joy of the collection!

Millinery

Smart and tailored swagger hats—dashing and rakish costume hats. Quaint and charming afternoon hats, sweeping and picturesque dress hats. Hats for all costumes, all occasions, all women. Paris and New York styles will be shown side by side. The newest and smartest creations up to the very last minute are ready for your inspection.

We assure you they are hats of distinction and worthy of particular emphasis. We know that you will find the utmost in quality and the newest style expressions in this splendid collection.
